

**NEW** 

**BLM-2430C Battery Powered Crimping & Cutting tool** 

## 24kN Powerful Output TWO-IN-ONE Applicability more extensive

- Quality guaranteed
   Core parts are general utilization and standardization
- Ergonomic design With light body
- OLED display shows battery percentage, working cycles, fault code, maintenance note

Technical data  Rated pressure: 24kN  Stroke: 30mm  Rated power: 270W  Max. crimping range: Cu 300mm²  Max. cutting range: [It is not suitable for cutting fine strand and extra fine cables]  Battery: 18V 2.0Ah Li-ion  Charging voltage: AC100-240V 50-60Hz  Charging time: Approx.40mins  Weight: 2.3kgs(with battery)  Tool size: 409×120×80mm (not include the jaws)  Accessories  Crimping dies: 1pc  Cutting head: 1pc  Battery: 2pcs		
Stroke: 30mm Rated power: 270W  Max. crimping range: Cu 300mm²  Max. cutting range: [It is not suitable for cutting fine strand and extra fine cables]  Battery: 18V 2.0Ah Li-ion  Charging voltage: AC100-240V 50-60Hz  Charging time: Approx.40mins  Weight: 2.3kgs(with battery)  Tool size: 409×120×80mm (not include the jaws)  Accessories  Crimping dies: 16,25,35,50,70,95,120,150,185, 240,300 mm²  Crimping head: 1pc  Cutting head: 1pc  Battery: 2pcs	Technical data	BLM-2430C
